ANNUAL REPORT

OF THE

ELECTION DEPARTMENT

FOR THE YEAR 1952.

Boston, January 31, 1953.

Hon. John B. Hynes,
Mayor of the City of Boston.

Sir,— In compliance with section 24, chapter 3, of the Revised Ordinances, the Board of Election Commissioners respectfully submits its annual report.

Registration.

In accordance with chapter 246 of the Acts of 1945, registration was held continuously at the central office from January 2 to March 28, April 30 to August 15, and September 17 to October 3, inclusive. Registration in wards was held on August 4, 5, 6, 7, 8, 11, 12, 13, 14, 15, and September 22, 23, 24, 25, 26, 29, 30, and October 1, 2, 3, from 6 p.m. to 10 p.m., for the State Election. This registration was held in two places in different sections of each ward, ten nights in each place.

Number of Voters.

At the City Election held November 6, 1951, the number of voters on the list was 388,007. The number of such voters in the first list published by the Board July 15, 1952, was 346,390. From that time to the close of registration for the State Election there were added the names of 66,448 voters. Included in this

latter figure are the names of 10,944 voters who were omitted from the 1952 police listing and who were restored to the voting list without registration, under the provisions of chapter 244 of the Acts of 1947. The number of voters on the final list sent to the polls on the day of the State Election, held November 4, 1952, was 412,838, an increase of 24,831 from the number on the list at the preceding City Election. The number of voters on final list December 31, 1952, was 412,881.

Nomination Papers, Referendum and Recount Petitions.

The Board received 2,965 nomination papers for the State Election, on which 59,820 names were certified; 104 papers were submitted on one initiative petition, on which 2,464 names were certified; and 62 petitions for recount of ballots cast, on which 1,633 names were certified. This makes a total of 3,131 papers, on which the names of 63,917 voters were certified.

Revision of the Voting List.

The names of 4,601 voters were stricken from the voting list by reason of death, removal from the city and other causes.

Jurors.

The jury list prepared by the Board in 1952 contained the names of 9,330 voters of Boston. During the time covered by this report 2,098 were drawn for jury service.

Registration of the Physically Disabled.

In accordance with the provisions of chapter 196 of the Acts of 1946, persons qualified to vote but unable to appear at a registration office because of physical disability were examined for registration in their homes or other places of confinement upon receipt of an application for such registration. Applications were received from 46 such persons. Of that number, 39 were found to be qualified and were duly registered. No applications were received after the closing date established by law. Persons found qualified to register were furnished with applications for absentee ballots for the State Election.

SUPPLEMENTARY REGISTRATION OF SOLDIERS AND SAILORS.

Under the provisions of chapter 51, sections 50 and 51, of the General Laws, 60 persons in the military service were registered as voters in Boston during the period from the close of registration to the third day preceding the State Election.

ABSENTEE VOTING.

59 civilian ballots returned "unclaimed."
68 servicemen's ballots returned "unclaimed."
72 civilian ballots returned too late to be cast.
57 servicemen's ballots returned too late to be cast.
8,683 total applications received.
7,673 total ballots mailed.
6,176 total ballots returned and sent to polls.

VOTING MACHINES.

Voting Machines were used in the Presidential Primary, State Primary, and the Presidential Election, with considerable success. In line with the policy of the Board to extend machine voting wherever possible, two precincts were added for the Presidential Primary, three more for the State Primary, and 19 additional precincts for the Presidential Election. This brought the precincts using voting machines in the November Election to 142, an increase of 24 over the previous year.

Voters in the new machine precincts were notified of the change by mail and instructions were held in the

evenings in the various Wards. All precinct officers were brought to City Hall and instructed in the use of the machines by the Voting Machine Custodians.

One hundred voting machines purchased by the Board were in use in the November Election. This accounted for the increase in voting machine precincts. The machines all received a severe test in the heavy Presidential voting and performed well.

Presidential Preference.

As provided by chapter 764 of the Acts of 1951 a voter at the Presidential Primaries could express his preference for a person to be nominated as a candidate of his party for President of the United States by inserting (either by writing or by affixing a paster) the name of the person he preferred in the blank space provided on the ballot for said purpose. In accordance with an opinion rendered by the Attorney-General, election officers were instructed to count and tabulate the votes showing the voters' preference for president (regardless of misspellings, omissions, inaccuracies, etc.) if the intent of the voter to express a preference for any particular individual could be determined.

Rent Control.

In accordance with law (chapter 620 of the Acts of 1952), a special ballot for the question relating to the continuance of rent control was printed for use at the State Primary. This ballot was given to every voter voting in the primary, and to every qualified voter not enrolled in any political party who desired to vote on such question, and who did not desire to vote in the primary.

Membership of the Board.

The term of Mr. J. Joseph Connors expired on March 31, 1952. Mr. David Lasker was appointed to succeed him for the term of four years ending March 31, 1956, and assumed the duties of his office on April 1, 1952. Commissioner Everett R. Prout died on March 10, 1952. Mr. Perlie Dyar Chase was appointed on April 1, 1952, to succeed Mr. Prout for the term ending March 31, 1953.
